

Summer Reading Challenge

June 12-August 19

You can register online!

<http://www.mediauplibrary.org/childrens-programs>

During your first library visit, pick up your welcome packet, a bouncy ball, and make something for our display!

For every 20 minutes you read*, mark your reading log. Come back to the library for prizes. (While supplies last.) See back page for information about our new challenge level! **The last day to pick up prizes is Sunday, September 9th. No exceptions.**

The Children's Summer Reading Challenge is open to children from birth-entering grade 5. People entering grade 6 are welcome to join the Teen Summer Reading Challenge.

*What counts as reading?

Read by yourself or with someone else. Storytime and book clubs count!

Audiobooks

Tumblebooks (animated books and more available through www.delcolibraries.org)

What is the Challenge Level?

After you've read for 12 hours, stop into the library to pick up your Challenge Pledge. *You* decide how long to read for your final challenge! This is great for kids who need to keep the fun going throughout the summer.

Sponsor

Please visit Pinocchio's and thank them for their support! They provided some extra-fun prizes for you.
